

PERSONAL FINANCIAL MANAGEMENT

Presented by Innocent Machabe.

He is is a Registered Public Accountant, a Chartered Certified Accountant (ACCA). He worked for leading manufacturing and retail companies in finance and administration and general management roles. He has a wealth of experience in working capital management, financial and management accounting, taxation, business administration and business evaluation

Financial planning is the process of setting, planning, achieving and reviewing your life goals through the proper management of your finances.

Do you have a financial plan? Do you expect to succeed financially without a clear set out plan?

If your answer to these two questions is NO then you need coaching in financial planning OR You might have a financial plan already but you are not making any progress – you also need this coaching program.

Course Content

1. Assessing your current financial situation and Questions that you need to ask yourself
2. Developing your financial goals
3. Creating your budget
4. Knowing your risk tolerance
5. Creating and implementing your financial action plan

WHO MUST ATTEND?

Anyone who needs a turnaround in their financial life
